Kids eat multiple muffins at breakfast and at lunch (generally because the lunches are not very good). We would love to have better tasting and healthier breakfasts: fruit, yogurt, multigrain breads, etc. It would be so wonderful to have people sponsor our breakfasts.

1. Sponsor One Healthy Breakfast – \$25
2. Sponsor One Week of Healthy Breakfast – \$125
3. Sponsor One Month of Healthy Breakfast – \$500
4. Sponsor One Year of Healthy Breakfast – \$5000

Breakfast is served to up to 30 children every morning before they go to class in the hospital school. Please make checks payable to Children of Bellevue, Inc. or donate online [www.childrenofbellevue.org](http://www.childrenofbellevue.org)
